

***Congratulations!*** Delta Air Lines has selected NY Aviation High School (Long Island City, NJ) as a 2020 Community Partner. You have the opportunity to receive \$6,250 worth of free scholarships for 5 (five) students of your choice to attend the National Flight Academy (NFA) in Pensacola, FL for one week during Summer 2020! Scholarships are for tuition only in the National Flight Academy program and **do not include travel** to and from Pensacola, Florida.

***\*Students are required to pay for airfare on their own. This is not an instructor supervised trip. Students will be traveling on their own to and from Florida***

#### **About**

The National Flight Academy is a premier STEM education institution that provides students in grades 7-12 with a fully-immersive, learning adventure of a lifetime! During the NFA's 6-day overnight program, 7-12 grade students live aboard *AMBITION*, a state-of-the-art virtual aircraft carrier. They work together to plan humanitarian missions with ultramodern, advanced technology, learn to fly in 42 networked flight simulators, eat on a mess deck, sleep in staterooms and receive mission briefings in six fully-electronic ready rooms. By working in a team squadron format, they are able to collaborate and complete missions using a variety of STEM-based concepts while facilitators and chiefs (program counselors) incorporate 21st Century Core Competency Skills like leadership, communication, and critical thinking. To date, Delta has sent over 3,500 students to the National Flight Academy!

#### **Letter of Intent (LOI) - Due Monday, January 13, 2020**

Please complete this [Letter of Intent Form](#) by Monday, January 13, 2020. *Even if you are not participating, please indicate via this form.* If you are participating, you may choose your preferred program week, however weeks are not guaranteed and will be assigned first come, first served based on the time of submission of the completed Letter of Intent form. Again, please complete and submit the Letter of Intent form via this [link](#) by Monday, January 13, 2020. If you do not turn in this form by the due date, your seats will be reallocated to others.

***NOTE: Girls in Aviation Week seats are very limited, so if you are interested in sending young ladies for this week, please turn in your Letter of Intent form quickly. This week's program is the same as the other weeks but will feature female STEM aviation professionals as well.***
