

National Honor Society

The National Honor Society (NHS) is the nation's premier organization established to recognize outstanding high school students. More than just an honor roll, NHS serves to recognize those students who have demonstrated excellence in the areas of scholarship, service, leadership, and character. These characteristics have been associated with membership in the organization since its beginning in 1921. Being inducted in NHS is a great look for colleges.

Requirements to join:

1. Have an overall 85% GPA
2. Participate in 75% of community service events hosted by NHS
